Vendor Self Service - Existing

You have completed the registration process. You can now login using the username and password you created during the registration process. Now would be a good time to log in, click on "My Profile" and and click on commodities to add commodities to your profile. By adding commodities you will be telling the city what you sell. You may receive solicitations for bids based on what you sell. (Click on My Profile then select "Commodities" to add the type of items you sell to your profile.

Vendor Commodities

Search for your commodities/services, then select and "Add". Search again and repeat as necessary. Click "Finished" when done.
