Re: Connecting to City Water

Dear Sir or Madam,

Several years ago, the City of Miramar engaged in discussions with residents of Country Club Ranches to assess the community's interest in connecting to the City's drinking water system. Recent events and subsequent Town Hall meetings, have regenerated interest from many residents to revisit connectivity solutions.

The attached survey is intended to understand the current desire of residents who may or may not be interested in connecting to the City's drinking water system. Please let City Officials know how best to service you by providing your much needed and greatly appreciated input. We ask that you take a look at the brief survey enclosed, of which will only take a few minutes to complete. For your convenience, we've also enclosed a self-addressed stamped envelope to return your completed survey.

Thank you in advance for your time, input and engagement.

Sincerely,

Kathleen Woods-Richardson
City Manager
